“ BodyCafé is a beauty and wellness brand that is based on authentic and traditional beauty practices. We take inspiration from ancient home remedies (gharelu nuskhe), the goodness of nature (Prakriti) and Ayurveda. ”

The logo for BODY Café is centered in the upper half of the image. It features the word "BODY" in a bold, green, sans-serif font above the word "Café" in a green, cursive script font. Both words are enclosed within a thin green circular outline. The background of the entire image is a light pink and white pattern of various fruits and leaves, with green foliage framing the top and bottom edges.
